0					12 wide			Start at Parking Lot			
1	A							From Trail Head to BRT to Erbie 430 feet	430	155	
2	B							From Erbie first trail junction to 1st River Crossing 1600 feet	1600	576	
3	C							From River go 800 feet to Cabin	800	288	
4	D							From Cabin to second river crossing 3200 feet	3200	1152	
5	E							River Crossing 2 to River Crossing 3 2400 feet	2400	864	
6	F							River Crossing 3 to River Crossing 4 1800 feet	1800	648	
7	G							Forth river crossing to trail Junction 300 feet	300	108	
8	H							Junction to Base Camp 1200 feet	1200	432	

O&lt; 300 Feet &gt; (0) Route is not taped

**Extra Notes**

The number in brackets that look like this in (??? Degrees) in the Control Description Box represents (Degrees) This is a straight line to your next stop...but you may not be able to go that way....

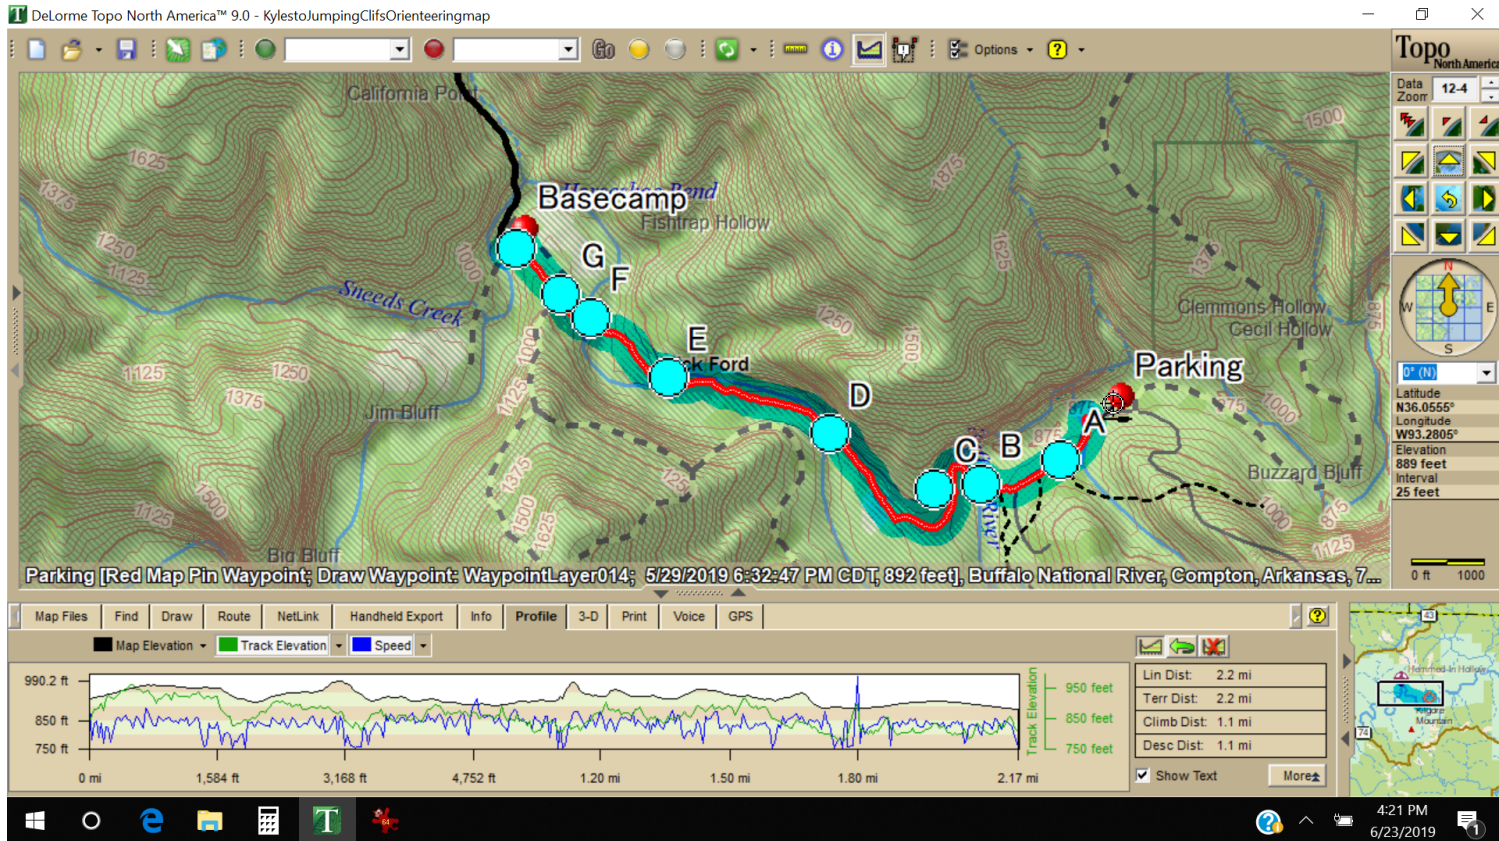

The ( ??? feet) is the number of feet in a straight Line but you may not be able to go that way...

Remember to keep your eye on where you are going and where you have been. Use the trail as a handhold or means to get where you want to go. You will not need to get off the trail to find your control codes.

At each control code use the paper punch found there and punch the shape in the Punch out box that is related to that control code.
