

Ranger Database Order Form

I would like to order one copy of the latest release of the Ranger Database.

I would like this version:

(indicate which version you wish to have by placing a x in the [] box next to the version.)

- Win98 Version (This version works with Windows 98 and ME)
- WinXP Version (Works with all XP Versions and is still under development even on a daily basis. As Rangers grow so does the Ranger Database.)
- MAC Version (I don't have a MAC but have friends that have them)
- ROTY Program (Windows XP only at this time) includes built in help videos.

Please include a check for \$10.00 that covers the cost of shipping and handling.

You may make copies and distribute this cd to your fellow Rangers as long as you stay "not for profit" and only charge a reasonable copying fee.

Please send the CD to: _____
